

STAG'S LEAP WINE CELLARS

2005 FAY BLOCK 2 CABERNET SAUVIGNON

For our CLUB 23 members, we also produce a series of exceptional "block-designated" wines in limited quantities. A block is a small section of the vineyard with unique attributes. Each vintage, we may discover a different block that expresses exceptional beauty in that year. In 2005, it was FAY BLOCK 2, planted on alluvial soils in the northwest corner of the vineyard.

The wine is wonderfully aromatic with rich berry, cassis, and blueberry fruit wrapped around exotic spices. Rich flavors and mouth-filling, yet fine and smooth tannins are carried across the palate through a long finish.
