

## 2012 Katherine Corkrum Cabernet Franc

WALLA WALLA VALLEY

### NAME ORIGIN

The names given to Spring Valley Vineyard wines are a tribute to the family members who have succeeded in farming the same land where the vineyard and winery now flourish. This Cabernet Franc is named in honor of Uriah Corkrum's wife Katherine, a native of Wales who immigrated to Walla Walla Territory in 1897. She and Uriah had four sons, including Frederick Corkrum.

### A FAMILY TRADITION

Following the tradition of Uriah, Katherine, Frederick, and Nina Lee Corkrum, Shari Corkrum Derby and her husband Dean Derby continue to operate the wheat fields, vineyard and winery. The hard work, traditional values and deep family ties that have kept the ranch going for over 100 years are mirrored in Spring Valley Vineyard's signature offerings.

### THE VINEYARD

Spring Valley Vineyard lies 12 miles northeast of Walla Walla, amid the picturesque wheat fields of southeastern Washington and the Blue Mountains in the distance. The initial block of Merlot was planted in 1993 on a southern hillside facing southwest. The vines follow the north-south slope of the hills in vertical rows, an orientation that when combined with the declination of the slope, allows the vines to take optimal advantage of air drainage, sunshine, and the reflective nature of the surrounding wheat fields.

Great care is taken when caring for the vineyard. Every grape is tended by hand, including crop thinning, leaf pulling, and harvesting, as well as hand-burying individual canes to protect them during the winter in southeastern Washington.

### VINTAGE

The vintage 2012 had close to perfect growing conditions. Spring was relatively wet and cool, but bloom came in early June. Afterward there were about 90 days of warm temperatures and no rain to ensure growth and vine development. The nights during this period were also relatively cool in our high elevated vineyards. In September and October the area experienced a perfect Indian summer which allowed maximum hang time for fruit ripening and flavor development.

### WINEMAKING

Spring Valley Vineyard fruit is hand-picked, hand-sorted and gently de-stemmed by gravity. During the 10-20 day fermentation, each tank is tasted daily until Spring Valley Vineyard Winemaker Serge Laville decides it is time to press using wooden cage basket presses. In keeping with Spring Valley tradition, originally instituted by founding winemaker Devin Corkrum Derby, hand punch-downs occur twice a day until the end of alcoholic fermentation. The wine is transferred by pump into barrels for secondary fermentation and gets racked several times for clarity. Finally, the different lots are blended to create our six distinctive labels.

### WINEMAKER TASTING NOTES

"The 2012 Katherine expresses beautiful floral and toasted almond notes on the nose. Cherry and vanilla flavors burst on the palate and sweet, lingering tannins provide a lengthy, satisfying finish."

~ Winemaker Serge Laville
