

Chateau Ste Michelle

2017 SAUVIGNON BLANC COLUMBIA VALLEY

TASTING NOTES

“Stainless steel fermentation makes this a crisp Sauvignon Blanc. The wine offers bright fruit character of melons and herbs. This wine is a favorite with oysters.”

VINTAGE

- The 2017 growing season was cooler and crop yields were lower than the previous two vintages.
- The cooler temperatures delayed ripening and helped to retain fresh fruit aromatics and mouthwatering acidity.
- Despite cold winter conditions, 2017 gave us concentrated wines with classic Washington state character.

VINEYARDS

- Sourced from vineyards throughout the Columbia Valley, including our Horse Heaven Vineyard.
- Columbia Valley vineyards lie in the rain shadow of the Cascade Mountains and receive just 6-8 inches of rainfall annually.
- Warm, sunny days and cool evenings create ideal conditions for aroma and flavor development in the ripening grapes.

WINEMAKING

- Yeasts specifically designated for Sauvignon Blanc were used to initiate the three-week fermentation and release varietal aromas.
- Stainless steel fermented to preserve Sauvignon Blanc’s delicate fruit character.
