## 2018 ROSÉ OF CABERNET FRANC

WALLA WALLA VALLEY

### VINTAGE:

The 2018 vintage was another stellar growing season in Washington. Warm spring temperatures were followed by mild conditions throughout the growing season allowing for extended hang time and flavor development. Warm fall days allowed for full ripeness and color, while cool Washington nights helped maintain crisp natural acidity.

### VINEYARDS:

This limited production 100% Walla Walla Rosé was sourced from Spring Valley Vineyard.

### WINEMAKING:

The Cabernet Franc grapes were harvested earlier for pure fruit character and expression. The fruit was left on the skins for minimal contact time to allow the grapes to extract just the right amount of color from the skins, leaving delicate, bright fruit flavors and aromas. The juice was fermented in a stainless steel tank for several weeks.

### TASTING NOTES:

“This 100% Cabernet Franc Rosé was farmed specifically for Rosé and pressed with minimal skin contact. As a famous chef once said, “Rosé goes with everything.” Enjoy with your favorite dish.”

– David “Merf” Merfeld, Winemaker
