

COLUMBIA VALLEY

2018 Reserve Cabernet Sauvignon Wautoma Springs Vineyard

VINTAGE NOTES

- 2018 was another stellar growing season and vintage in Washington.
- Warm spring temperatures were followed by mild conditions throughout the growing season allowing for extended hang time and flavor development.
- Warm fall days allowed for full ripeness, while cool Washington nights helped maintain crisp natural acidity.

VINEYARD NOTES

- Wautoma Springs is a small vineyard nestled in the heart of the Cold Creek district.
- The balance between daytime and nighttime temperatures during the ripening period help to concentrate aromatics and enhance complexity.
- The low-yielding vineyard is planted exclusively with Cabernet on rocky, silt loam soil to provide optimal drainage and support healthy growth.

WINEMAKING NOTES

- Grapes were destemmed, sorted and then fermented in a combination of stainless, oak and concrete tanks which helped build different layers.
- The tanks were pumped over twice-daily during the fermentation to aerate the wine and enhance aromatics and bouquet.
- Lots were kept separate and placed into French oak barrels, with blending happening just prior to bottling.

TASTING NOTES

“An elegant wine with firm tannins and flavors of fresh, savory herbs, boysenberry, blue fruits and minerality.”

TA: 0.60 g/100mL

PH: 3.73

ALCOHOL: 14.9%

BLEND: Cabernet Sauvignon
