

## RED MOUNTAIN

# 2018 Red Mountain Cabernet Sauvignon

### VINTAGE NOTES

- 2018 was another stellar growing season and vintage in Washington.
- Warm spring temperatures followed by mild conditions throughout the growing season allowing for extended hang time and flavor development.
- A warmer fall allowed for full ripeness and color, while cool Washington nights helped maintain crisp natural acidity.

### VINEYARD NOTES

- Red Mountain is one of the warmest, driest regions in Washington, producing small berries with intense concentration.
- 100% William Heart of the Hill Cabernet Sauvignon.

### WINEMAKING NOTES

- Daily gentle pumpovers during fermentation extract optimal flavor and color and minimize harsh tannins.
- Each fermentation lot is tasted daily to evaluate the evolution of the tannins and find the right moment to drain the wine off of its skins.
- Aged in 38% new French oak, 12% new American oak and 50% old French oak.

### RECOMMENDED FOOD PAIRINGS

- Beef, hearty pastas, rack of lamb

### TASTING NOTES

“From the smallest American Viticultural Area in size, Red Mountain wines are anything but diminutive. The wine is crafted to showcase the ripe fruit characteristics, incredible aromatics and concentrated tannins that reflect Washington state’s warmest growing region.” – Brian Mackey, Winemaker
