COLUMBIA VALLEY

2018 "Run Wild™" Juicy Red Wine Blend

VINTAGE NOTES

- 2018 was another stellar growing season and vintage in Washington.
- Warm spring temperatures were followed by mild conditions throughout the growing season allowing for extended hang time and flavor development
- Warm fall days allowed for full ripeness, while cool Washington nights helped maintain crisp natural acidity.

VINEYARD NOTES

- The Columbia Valley's unique and ideal conditions create grapes with both rich flavors and crisp acidity.
- The region's latitude provides an extra hour of sunlight (and heat) during the peak of the growing season creating intense fruit flavors.
- This wine shows the amazing diversity of the Columbia Valley's ability to produce high quality Bordeaux and Rhone Varieties

WINEMAKING NOTES

- Red varieties including Syrah, Mourvedre and Grenache were gently destemmed and fermented for 7–10 days on the skins.
- The fruit was fermented between 7-10 days in customized stainless-steel fermenters built to produce our fruit-forward style.
- Minimal use of oak preserves the “Juicy” style of the fruit.

RECOMMENDED FOOD PAIRINGS

- Pasta with red sauce, cheeseburger and fries and pizza margherita.

TASTING NOTES
