

RED MOUNTAIN

2018 Component Collection Malbec

ADDITIONAL NOTES

The Component Collection is produced in limited quantities in select vintages using single varieties that display interesting character and exceptional quality.

VINTAGE NOTES

- The 2018 vintage was another stellar growing season in Washington.
- Warm spring temperatures were followed by mild conditions throughout the growing season allowing for extended hang time and flavor development.
- Warm fall days allowed for full ripeness and color, while cool Washington nights helped maintain crisp natural acidity.

VINEYARD NOTES

- 100% Col Solare Estate Vineyard

WINEMAKING NOTES

- After sorting, grapes were gently crushed, with lots fermented separately on the skins for an average of 15 days.
- Small bin and tank fermentation were used with rack and return style maceration techniques to extract the best flavors without harsh tannins.
- The wine was removed from the skins and placed into new French oak barrels for malolactic fermentation aging for 22 months.

TASTING NOTES

Ripe and expressive, this Malbec has flavors of blueberry and plum at the core and hints of cocoa and dark spices on the finish. - Darel Allwine, Winemaker

TA: 0.59g/100mL
