

RED MOUNTAIN

2019 Collector's Society Syrah

ADDITIONAL NOTES

A partnership between Marchesi Antinori of Tuscany and Chateau Ste. Michelle of Washington, Col Solare's mission is to unite the unique winemaking cultures of these two esteemed regions to produce a world-class Syrah from the best fruit in Washington.

VINTAGE NOTES

- The 2019 growing season was cooler and crop yields were significantly lower in comparison to the past two vintages.
- The lower temperatures delayed ripening and helped retain fresh fruit aromatics and mouthwatering acidity.
- Despite cold winter conditions, 2019 gave us concentrated wines with classic Washington state character.

WINEMAKING NOTES

- Harvest began on September 27 with rich flavors. After sorting, grapes were gently crushed then fermented on the skins, on average 15 days.
- Small bin and barrel fermentation was used with punch down style maceration techniques to extract the best flavors without harsh tannins.
- The wine was removed from the skins and placed into new French oak barrels for malolactic fermentation and aging.

TASTING NOTES

"The Collector's Society Syrah offers delightful aromas of boysenberry, blackberry, wet stone, and tobacco with a rich, powerful texture, sweet tannins, and lingering flavors of black fruits and cocoa." – Darel Allwine, Winemaker
