COLUMBIA VALLEY

2021 Limited Release White Wine Blend Columbia Valley

VINTAGE NOTES

- 2021 was a very warm growing season which resulted in intensely concentrated flavors in the wines.
- Our typical cool nights during harvest helped us retain the wonderful natural acidity Washington is known for.
- The season produced red wines dark in color and dense in concentration and white wines with varietal character and bright vibrancy.

VINEYARD NOTES

- The vineyards sourced for this white blend includes 52% Jacona Vineyard, and 33% Crest V10 Vineyard.
- Warm, sunny days and cool evening temperatures of the Columbia Valley create ideal conditions for intense aroma and flavor.
- Sandy soils with low fertility and low water-holding capacity enable precise control of vine growth.

WINEMAKING NOTES

- Chenin Blanc, Sauvignon Blanc and Muscat Canelli juice was fermented for 3 weeks in stainless steel to highlight the bright fruit flavors.
- A cool fermentation with fruit forward yeasts helped to preserve the ripe fruit characteristics of these aromatic grape varieties.

TASTING NOTES

This vintage of C.S.M. is another eclectic blend of Chenin Blanc, Sauvignon Blanc - with a hint of Muscat Canelli. The Chenin Blanc lends bright, fresh melon flavors while the Sauvignon Blanc throws in complex textures and depth. A final hint of floral essence from the Muscat Canelli completes this lovely wine.
