This is a lighter, fresher style of Muscat Canelli than we have made in years past. The wine still has the beautiful tropical fruit and floral notes that are classic to this variety, but the wine is drier and much more food friendly. Crack open a bottle for any occasion and put a smile on every face in the room with this elegant, exotic wine.

COLUMBIA VALLEY

2021 Limited Release Muscat Canelli

VINTAGE NOTES

- 2021 was a very warm growing season which resulted in intensely concentrated flavors in the wines.
- Our typical cool nights during harvest helped us retain the wonderful natural acidity Washington State is known for.
- The season produced red wines dark in color and dense in concentration and white wines with varietal character and bright vibrancy.

VINEYARD NOTES

- Planted in 1973, the Cold Creek Vineyard enjoys one of the longest and warmest growing seasons in Washington state's Columbia Valley.
- The low yielding old vines produce small clusters and small berries, resulting in intense varietal flavors.
- Cold Creek vineyard is LIVE and Salmon Safe certified.

HISTORY NOTES

- Established in 1934, Chateau Ste. Michelle pioneered vinifera grape growing in Washington State.
- The winery owns 3,500 acres in the Columbia Valley of eastern Washington, including Horse Heaven, Canoe Ridge Estate and Cold Creek vineyards.
- Chateau Ste. Michelle's award-winning wines can be found in all 50 states and more than 100 countries worldwide.

WINEMAKING NOTES

- Grapes were destemmed and inoculated with various strains of yeast to maximize complexity.
- Fermented in 100% stainless steel for 3 weeks to showcase the aromas.
- The vineyard's weak, loamy sand and gravel soils with low-water holding capacity produce moderate crops and concentrated grapes.
