

HORSE HEAVEN HILLS

2021 Limited Release Sémillon

VINTAGE NOTES

- 2021 was a very warm growing season which resulted in intensely concentrated flavors in the wines.
- Our typical cool nights during harvest helped us retain the wonderful natural acidity Washington State is known for.
- The season produced red wines dark in color and dense in concentration and white wines with varietal character and bright vibrancy.

VINEYARD NOTES

- Horse Heaven Vineyard is located in the Horse Heaven Hills AVA and is adjacent to the Columbia River in Paterson, Washington.
- Planted in the 1970s, this is a moderately warm site, tempered by the Columbia River.
- This vineyard is characterized by gentle south facing slopes, sandy loam soil and a long growing season.

WINEMAKING NOTES

- Yeasts specifically designated for Sémillon were used to initiate the three-week fermentation and release varietal aromas.
- 84% of the juice was fermented in stainless steel and 16% in neutral oak barrels for 3 months to preserve its vibrant fruit character.

TASTING NOTES

We love Washington Sémillon for its full body that also surprises your palate with lively flavors. To showcase this unique identity, the wine was mostly fermented in tank to highlight the zesty fruit, but we also blended barrel fermented wine to bring out the rich and creamy texture of the grape.
