PH: 3.87

ALCOHOL: 14.5%

BLEND:

58% Syrah, 23% Petit Verdot, 13% Merlot, 6% Cabernet Sauvignon

COLUMBIA VALLEY

2021 "Stampede" Bold Red Wine Blend

VINTAGE NOTES

- 2021 was a very warm growing season which resulted in intensely concentrated flavors in the wines.
- Our typical cool nights during harvest helped us retain the wonderful natural acidity Washington is known for.
- The season produced red wines dark in color and dense in concentration and white wines with varietal character and bright vibrancy.

VINEYARD NOTES

- The Columbia Valley's unique and ideal conditions create grapes with both rich flavors and crisp acidity.
- The regions latitude provides an extra hour of sunlight (and heat) during the peak of the growing season creating intense fruit flavors.
- A great value Red Blend featuring three of the top red varieties in the world—Syrah, Merlot and Cabernet Sauvignon.

WINEMAKING NOTES

- Syrah, Merlot, Petit Verdot and Cabernet Sauvignon were gently destemmed and fermented for approximately 7 days on the skins.
- Malolactic fermentation immediately followed primary fermentation to enhance complexity and reduce acidity.
- The combination of selective fruit sourcing and customized stainless-steel fermenters delivers our balanced, fruit-forward style.

RECOMMENDED FOOD PAIRINGS

- Spicy curries, Korean-style BBQ.

TASTING NOTES

This robust red blend kicks things off with aromas of spice and cedar, leading to flavors of cola and cherry. A lighter oak regimen shows off the wine's unique characteristics, including lively acidity and a dramatic, enduring finish. - Keith Kenison, winemaker
