

HORSE HEAVEN HILLS

2021 Red Wine Blend

VINTAGE NOTES

- 2021 was a very warm growing season which resulted in intensely concentrated flavors in the wines.
- Our typical cool nights during harvest helped us retain the wonderful natural acidity Washington State is known for.
- The season produced red wines dark in color and dense in concentration and white wines with varietal character and bright vibrancy.

VINEYARD NOTES

- The Horse Heaven Hills vineyards are mostly dry with less precipitation due to the rain shadow effect from the Cascade Mountain Range.
- Strong wind patterns in the Horse Heaven Hills reduce canopy size and contribute to even ripening and fruit concentration.

WINEMAKING NOTES

- Grapes were destemmed and fermented for 7-14 days on the skins to extract optimal fruit and structural components.
- Fermentation took place in stainless steel to maintain the purity of fruit.
- After fermentation, the wine was aged in a combination of new French and American oak.

RECOMMENDED FOOD PAIRINGS

- Foods with complex flavors match the complexity of red blends. Pepper steak, well-seasoned beef or lamb, rich stews, and strong cheeses, such as blue cheese and stilton are great pairings.

TASTING NOTES

A lively fusion of vanilla aromas and fresh cherry notes, followed by smooth tannins that lead in to a vibrant finish.
