

WALLA WALLA VALLEY

2021 Cabernet Sauvignon Walla Walla Valley

VINTAGE NOTES

- 2021 was a very warm growing season which resulted in intensely concentrated flavors in the wines.
- Our typical cool nights during harvest helped us retain the wonderful natural acidity Washington is known for.
- The season produced red wines dark in color and dense in concentration and white wines with varietal character and bright vibrancy.

VINEYARD NOTES

- Fruit was selected from the very best possible Walla Walla sources.
- Cabernet Sauvignon from Anna Marie and Spring Valley vineyards went into the creation of this blend.
- Merlot from Anna Marie rounded out the blend.

WINEMAKING NOTES

- At harvest, grapes were held separately, destemmed, and crushed with 40% whole berries remaining.
- The wine was then racked into barrels to undergo malolactic fermentation. Racking occurred every three months during the 20-month aging process.
- Aged in 100% French oak – 32% of the barrels were new. This 2021 Cabernet Sauvignon was bottled unfinned and unfiltered for maximum flavor.

TASTING NOTES

This limited production Walla Walla Cabernet Sauvignon is soft and approachable. Aromas of cherry cola and vanilla intertwine with blackberry and cassis leading into a long finish of vanilla, cedar, and almond. – David “Merf” Merfeld, Winemaker

TA: 0.56 g/100 mL

PH: 3.80

ALCOHOL: 14.1%

BLEND: 87% Cabernet Sauvignon, 13% Merlot
