## WALLA WALLA VALLEY

### 2021 Rosé

#### VINTAGE NOTES

- 2021 was a very warm growing season which resulted in intensely concentrated flavors in the wines.
- Our typical cool nights during harvest helped us retain the wonderful natural acidity Washington is known for.
- The season produced red wines dark in color and dense in concentration and white wines with varietal character and bright vibrancy.

#### VINEYARD NOTES

- This limited production 100% Walla Walla Valley Rosé wine was sourced from our Northstar Estate Vineyard.

#### WINEMAKING NOTES

- Grapes were harvested at early maturity for pure fruit character, brightness, and expression.
- The fruit was on the skins for a short time allowing the grapes to extract just the right amount of color creating delicate, bright flavors.
- The wine was fermented in a concrete egg to enhance aromatics and flavor.

#### RECOMMENDED FOOD PAIRINGS

- This wine pairs beautifully with melon and prosciutto, roasted chicken, salmon, chopped salad with feta, and grilled vegetables.

#### TASTING NOTES

Elegant and refreshing opening with wild strawberry, kiwi, and honey dew melon. Lush and creamy with notes of watermelon and key lime leading to a bright crisp finish. As a famous chef once said, “Rosé goes with everything.” Enjoy with your favorite dish.” - David Merfeld, Winemaker
