

## WALLA WALLA VALLEY

### 2021 Syrah

#### VINTAGE NOTES

- 2021 was a very warm growing season which resulted in intensely concentrated flavors in the wines.
- Our typical cool nights during harvest helped us retain the wonderful natural acidity Washington is known for.
- The season produced red wines dark in color and dense in concentration and white wines with varietal character and bright vibrancy.

#### VINEYARD NOTES

- The 2021 vintage of our limited production 100% Syrah (Phelps Clone) is sourced from Watermill Estate Vineyard.
- This site provides the unique complexity that you can only get from the famed Rocks District of Milton-Freewater AVA.

#### WINEMAKING NOTES

- At harvest, grapes were de-stemmed, sorted, and crushed leaving 40% whole berries.
- The wine aged for 16 months in 100% French oak with 22% new barrels.
- Bottled unfinned and unfiltered for maximum flavor.

#### TASTING NOTES

This limited production wine is 100% Syrah from some of our favorite sites in the Walla Walla Valley. Seduce your senses with this exotic wine. -David "Merf" Merfeld, Northstar Winemaker
