

RED MOUNTAIN

2021 Component Collection Syrah

ADDITIONAL NOTES

The Component Collection is produced in limited quantities in select vintages using single varieties that display interesting character and exceptional quality.

VINTAGE NOTES

- 2021 was a very warm growing season which resulted in intensely concentrated flavors in the wines.
- Our typical cool nights during harvest helped us retain the wonderful natural acidity Washington is known for.
- The season produced red wines dark in color and dense in concentration and white wines with varietal character and bright vibrancy.

VINEYARD NOTES

- 100% Col Solare Estate Vineyard

WINEMAKING NOTES

- Syrah was harvested on September 10th. Grapes were gently crushed and gravity fed to one 5-ton stainless steel tank and one 600L roller barrel.
- Following a three-day cold soak, daily punch downs and barrel rolling were performed to achieve the desired flavors and extraction.
- Malolactic fermentation and aging took place in 66% new French oak. The wine remained on skins for extended maceration in barrel for 6 weeks.

TASTING NOTES

Aromas of blackberry, game, and black pepper introduce this rich and intense wine. Lingering flavors of cedar and dried herbs lead to a powerful yet silky finish. - Stephanie Cohen, Winemaker

TA: 0.51 g/100 mL

PH: 4.07

ALCOHOL: 14.8%

BLEND: 95% Syrah, 5% Cabernet Sauvignon
