YAKIMA VALLEY

2022 Limited Release Jonté Sauvignon Blanc

VINTAGE NOTES

- The season started with an unusually cool and wet spring. We saw below average temperatures from April until July which caused a delay in ripening.
- Our harvest starting two weeks later compared to the average vintage. All the moisture in the ground helped develop beautiful canopies with a nice size crop.
- The quality of fruit was outstanding and though we had to harvest select grapes earlier than expected, the wines are very promising, showing nice acidity, and great flavors.
- Both our white and red wines are showing well, and we cannot wait to see how they develop as they continue to age.

VINEYARD NOTES

- The region's sunny days and cool evening temperatures create ideal conditions for intense aroma and flavor development in the ripening grapes.
- Fruit was sourced from multiple vineyards in the heart of the Yakima Valley.

WINEMAKING NOTES

- The juice was fermented for three weeks in stainless steel.
- A cool fermentation with fruit forward yeasts helped to preserve the fresh fruit characteristics and crisp, acidic qualities.
