2022 Limited Release Autumn Red Wine Blend

VINTAGE NOTES

- The season started with an unusually cool and wet spring. We saw below average temperatures from April until July which caused a delay in ripening.
- Our harvest started two weeks later compared to the average vintage. All the moisture in the ground helped develop beautiful canopies with a nice size crop.
- The quality of fruit was outstanding and though we had to harvest select grapes earlier than expected, the wines are very promising, showing nice acidity, and great flavors.
- Both our white and red wines are showing well, and we cannot wait to see how they develop as they continue to age.

VINEYARD NOTES

- Sourced from our Canoe Ridge Estate and Cold Creek Vineyard in the Columbia Valley.
- Columbia Valley vineyards lie in the rain shadow of the Cascade Mountains and receive just 6-8 inches of rainfall annually.
- Our northerly latitude provides an extra hour of sunlight, and heat, during the peak of the growing season creating intense fruit flavors.

WINEMAKING NOTES

- Ripe grapes were destemmed, crushed and inoculated with various strains of yeast to maximize complexity.
- Gentle pumpovers were used to extract optimal flavor and color and minimize harsh tannins.
- Aged for 20 months in 18% new French oak and 82% neutral oak barrels.

TASTING NOTES

Autumn is a very special time of year for the wine industry. This exciting new red blend is a tribute to the harvest season and all things autumnal! Comforting aromas of blueberries and baking spices are warmly layered with fresh herbs and earthy notes. Bring on sweater season and revel in smooth tannins and a pop of red fruit.
