HORSE HEAVEN HILLS

2022 Limited Release White Cabernet Sauvignon

VINTAGE NOTES

- The season started with an unusually cool and wet spring. We saw below average temperatures from April until July which caused a delay in ripening.
- Our harvest starting two weeks later compared to the average vintage. All the moisture in the ground helped develop beautiful canopies with a nice size crop.
- The quality of fruit was outstanding and though we had to harvest select grapes earlier than expected, the wines are very promising, showing nice acidity, and great flavors.
- Both our white and red wines are showing well, and we cannot wait to see how they develop as they continue to age.

VINEYARD NOTES

- 96% sourced from the Horse Heaven Hills AVA which borders the Yakima Valley AVA on the north and the Columbia River on the south.
- The region's sunny days and cool evening temperatures create ideal conditions for intense aroma and flavor development in the ripening grapes.
- 4% of the fruit was sourced from the Columbia Valley AVA.

WINEMAKING NOTES

- Cabernet grapes were picked early and immediately pressed off the skins for no skin contact.
- The juice was fermented for two weeks in stainless steel to highlight the bright fruit flavors.
