## 2023 Limited Release White Cabernet Sauvignon

### VINTAGE NOTES

- The 2023 vintage started with a cool spring, followed by ideal conditions during the summer with warm days and cool nights perfect for grape maturity and flavor development.
- Lower yields, uniform canopies and even ripening contributed to exceptional quality.
- Harvest began earlier than usual with grapes showing excellent ripe flavor profiles, natural acidity, and nice tannins.
- Winemakers indicate the 2023 vintage in Washington is set to become one of the best in a long time.

### VINEYARD NOTES

- Fruit was sourced from a unique block in the Horse Heaven Hills
- The region's latitude provides an extra hour of sunlight (and heat) during the peak of the growing season creating intense fruit flavors.
- Columbia Valley receives only 1/3 (6" to 10") the annual rainfall vines need requiring drip irrigation which leads to more flavorful grapes.

### WINEMAKING NOTES

- Cabernet Sauvignon grapes were picked with relatively low sugar and good acidity.
- The fruit was pressed gently, producing juice with very little color.
- An extended, cool fermentation in a stainless-steel tank maintained bright aromatics and fresh flavors.

### RECOMMENDED FOOD PAIRINGS

- Poached salmon, pan-seared scallops, or grilled veggie skewers

### TASTING NOTES

This intricate White Cabernet Sauvignon reveals aromas of strawberries, raspberries, and watermelon. The wine is lively and bright with flavors of fresh stone fruit and red berries.
