

## WALLA WALLA VALLEY

### 2023 Syrah

#### VINTAGE NOTES

- The 2023 season started with a cool spring, followed by ideal conditions during the summer with warm days and cool nights perfect for grape maturity and flavor development.
- Lower yields, uniform canopies, and even ripening contributed to exceptional quality.
- Harvest began earlier than usual with grapes showing excellent ripe flavor profiles, natural acidity, and nice tannins.

#### VINEYARD NOTES

- The 2023 vintage of our limited production 100% Syrah (Phelps Clone) is sourced from Watermill Estate Vineyard.
- This site provides the unique complexity that you can only get from the famed Rocks District of Milton-Freewater AVA.

#### WINEMAKING NOTES

- At harvest, grapes were de-stemmed, sorted, and crushed leaving 40% whole berries.
- The wine was barrel aged for 16 months in 76% French oak and 24% new American oak.
- Bottled unfiltered and unfiltered for maximum flavor.

#### TASTING NOTES

This limited production wine is 100% Syrah from one of our favorite sites in the Walla Walla Valley. Seduce your senses with this exotic wine. -David "Merf" Merfeld, Northstar Winemaker
