

## WALLA WALLA VALLEY

### 2023 Rosé

#### VINTAGE NOTES

- The 2023 season started with a cool spring, followed by ideal conditions during the summer with warm days and cool nights perfect for grape maturity and flavor development.
- Lower yields, uniform canopies, and even ripening contributed to exceptional quality.
- Harvest began earlier than usual with grapes showing excellent ripe flavor profiles, natural acidity, and nice tannins.
- Winemakers indicate the 2023 vintage in Washington is set to become one of the best in a long time.

#### VINEYARD NOTES

- Spring Valley Vineyard lies 12 miles northeast of Walla Walla, amid the picturesque wheat fields of southeastern Washington.
- The vines follow the north-south slope of the hills in vertical rows that allow the vines to take advantage of air drainage and sunshine.
- Every grape is tended by hand, including crop thinning, leaf pulling, and harvesting.

#### WINEMAKING NOTES

- The 2023 Rosé is made of 50% Mourvèdre, 50% Grenache from our Estate Vineyard.
- The fruit was handpicked in late-September and pressed right away, creating a blush color.
- It was aged in a combination of stainless steel and acacia barrels. The wine was bottled early Spring 2024.

#### RECOMMENDED FOOD PAIRINGS

- Great for summer BBQ dishes, pizza, roasted vegetables, prosciutto and melon, salads.

#### TASTING NOTES

Our 2023 Rosé is beautiful and crisp with a gorgeous blush color. It opens with some white peach and honeysuckle, that is complemented by a hint of watermelon. The subtle florals like jasmine make this rosé very approachable. Enjoy! - Kate Derby, winemaker
