Discover guilt-free indulgence with Chateau Ste. Michelle Light. With only 80 calories and zero sugar, it's the perfect companion for those seeking a lighter wine experience without compromising on the quality of our award-winning wines.

TASTING NOTES

The Light Sauvignon Blanc is a refreshing and vibrant wine with notes of zesty lime with hints of tropical fruit offering a guilt free indulgence without compromising on taste or quality.

VINEYARD / AVA

Nestled in the rain shadow of Washington's Cascade mountain range, lies the Columbia Valley, a region where abundant sunlight, cool nights, and volcanic soils converge to create wines of remarkable complexity. The unique growing season allows grapes to reach full flavor development at lower sugar levels while retaining mouthwatering acidity.

VINTAGE NOTES

The 2024 vintage experienced typical temperatures, requiring minimal canopy and crop management and allowing its natural character to shine. A long ripening season, precise harvest timing, and low disease pressure produced flavorful, well-balanced white wines.
