

COLUMBIA VALLEY

2025 | PINOT GRIS

As the state's founding winery, Chateau Ste. Michelle combines a terroir-driven style with boutique winemaking practices to create expressive, world-class wines that reflect the distinct character of Washington's Columbia Valley.

TASTING NOTES

The Columbia Valley Pinot Gris style falls between the lighter Italian Pinot Grigio and the richer, rounder Pinot Gris from Alsace. Cool harvest nights infuse notes of juicy pear and melon into this Pinot Gris, finishing with hints of spice.

WINEMAKER NOTES

Cool fermentation in stainless steel tanks enhanced the floral and citrus characters. After fermentation, the wine was quickly prepared for bottling to preserve the freshness of this delicate varietal.

VINEYARD / AVA

Nestled in the rain shadow of Washington's Cascade mountain range, lies the Columbia Valley, a region where abundant sunlight, cool nights, and volcanic soils converge to create wines of remarkable complexity.

VINTAGE NOTES

The 2025 harvest yielded excellent quality, driven by steady weather and extended fall ripening. Cool September nights kept the wines fresh and complex. White varietals were picked early, beginning in late August. Even in a warm year, the wines retain vibrant acidity, balance, and bright flavors.
