DESCRIPTION

Celebrate every day to its fullest!

VINEYARD NOTES

- Premium grapes were sourced from Washington State's Columbia Valley.
- Like France's renowned Champagne district, Columbia Valley vineyards sit at a northerly latitude.
- Ample sunshine and cool evenings create ideal conditions in developing superior flavor and crisp acids.

WINEMAKING NOTES

- Winemaker, Paula Eakin samples several lots of base wine to create this unique cuvée based on ideal aroma and flavor profiles.
- The based blend is created from a consistent house style.
- A sweet liquid dosage is added to the bottle balancing the delicate, natural high fruit acids and viscosity, giving this Rose its unique style.

TASTING NOTES

"This beautiful blush hued Chateau Ste. Michelle Sparkling Rose with delicate flavors of strawberries, sweet orange and berry jam is the perfect combination of crisp acidity and lovely fine bubbles that pairs with almost everything. Enjoy!" - Paula Eakin, Winemaker
