

## COLUMBIA VALLEY Rosé Wine

### PRODUCT NOTES

250 ml = 1.5 5 oz. glasses - Aluminum bottles sold in 2-pack

### VINEYARD NOTES

- Columbia Valley vineyards lie in the rain shadow of the Cascade Mountains and receive just 6-8 inches of rainfall annually.
- The abundance of snow in February provided ample soil moisture. Warm spring temperatures created excellent conditions early fruit development.
- Summertime temperatures were mild followed by cooler fall temperatures, ideal for maintaining acidity and developing beautiful fruit flavors.

### TASTING NOTES

Like a bowl of strawberries with just a hint of currant, this rose is wonderfully fruit driven with a clean, food friendly finish.
