

COLUMBIA VALLEY

Unicorn Mythical Sweet Bubbles

ADDITIONAL NOTES

Perfect for a springtime barbecue, a hot afternoon by the pool, a chilly evening near the bonfire or game night in your cozy home on a wintery night.

WINEMAKING NOTES

- Grapes were sourced from vineyards throughout the Columbia Valley and picked when flavors & tannins were fully developed.
- The fruit was destemmed and fermented in stainless-steel tanks for 3 days, with pumpovers occurring twice daily to extract color.
- The must was chilled to arrest fermentations, preserving natural sweetness, and resulting in lower alcohol.

RECOMMENDED FOOD PAIRINGS

- Pairs with chocolate truffles, spicy queso dip and BBQ sliders.

TASTING NOTES

Served chilled, this delightful go-anywhere wine is enchanting! With a magical mix of sweetness, juicy fruit flavors of blackberry and black cherry, and a hint of bubbles, our 14 Hands Unicorn wine is truly mythical. -Keith Kenison, Winemaker
